MAGIC TRACK I

MAZDA Model: MGXR2750 Track light

The Magic Magnetic LED Track Flood Light operates on a safe low-voltage DC48V magnetic track system, eliminating the risk of electric shock. Featuring an adjustable aluminium ring, the fitting allows the beam direction to be easily modified to suit di erent lighting requirements. The magnetic track system o ers various installation options, providing excellent flexibility for a wide range of interior designs while allowing the luminaire to be repositioned with ease. With its wide beam angle and modern design, this luminaire is ideal for retail stores, o ces, residential spaces, hotels, restaurants, shopping centres, showrooms and other commercial applications.
